How the World Communicates
～コミュニケーションで世界をつなぐ～

陸上用無線機

A black and white photograph of a construction site. In the foreground, an ICOM handheld radio is shown. In the background, a construction worker in a hard hat and safety vest stands near a tripod-mounted surveying instrument. A large crane is visible in the distance.

海上用無線機

A black and white photograph of a sailboat on the water. An ICOM marine VHF radio is mounted on the boat's dashboard. The radio's display shows the number '16'.

航空用無線機

A black and white photograph of a small propeller airplane on a runway. An ICOM aviation VHF radio is shown in the foreground, with its display displaying the frequency '114.600'.

ネットワーク製品

A black and white photograph of a white ICOM network router. The background features a cityscape at night with a glowing network overlay of lines connecting various points.

アマチュア無線機

A black and white photograph of a man sitting at a desk, operating an ICOM amateur radio station. The station includes a base station, a microphone, and a display showing the frequency '7.070.50'.
